

NEW FLAG BOX GIFTED FROM THE ED BERRYMAN MEMORIAL

Ed Berryman, born June 18, 1942 - died June 9, 2023 was a volunteer and leader at Post 184 for 15 years. He served as a Post Commander and Gambling Manager.

Funds from Ed's memorial were used to purchase the much needed American Flag box. Now community members can drop their torn, tattered American flag in the box at their convenience. It is brightly lit up under the refurbished light that is now lit up by LED lights thanks to Adjutant Parr.
